Parking may be an issue at times. The traffic from Fort Sam can make things a little scary. If you park in front of the house try not to park too close to the corner. OKAY to park on Carnahan.

Please DON'T park in alley!!!!

The good-swim.com website should launch March 1st so get your forms back post haste! Don't want any of my longstanding swimmers to get pushed down on the list.

Please feel free to call if you have questions about technique, developmental goals and how to manage initial fussy behaviors. Remember the three day rule and let's have a BLAST!
