GOOD SWIM RULES 2026

Compliance with the Good Swim rules is mandatory. Failure to follow the rules may result in immediately termination of you and your child's participation in Good Swim swim training, camps, parties and the like. For the safety of your child, please read these rules carefully.

1. All parents, legal guardians and water guardians must:

- Learn how to recognize a swimmer in trouble. An instructional video is available for viewing at: What Drowning Looks Like - <https://www.youtube.com/watch?v=mWshk4ORlqM>

- Assign an adult Water Guardian whose only responsibility is to watch children who are in, near, or around water.

1. All children must be monitored by an attentive and engaged water guardian at all times.

- If the assigned adult Water Guardian needs a break, the responsibility of watching the children must be assumed by another adult Water Guardian.

- The role of an adult Water Guardian differs from that of a lifeguard. The Water Guardian's role is to watch and PREVENT emergencies. A lifeguard is trained to rescue in the event of an emergency.

- Teach children who cannot swim to stay away from water unless accompanied by a qualified adult. A qualified adult knows how to swim, stays within arm's reach of the child, and maintains eye to eye contact with the child.

- Have a phone available for emergencies. Do not talk, text or surf the internet while you on Water Guardian duty!

2. Running is NEVER allowed anywhere on the property.

3. Swimmers must be free of colds and other contagious diseases.

4. No hairpins, barrettes, jewelry or glasses.

5. No food, drink, or gum anywhere on deck or in the water.

6. No recreational equipment unless authorized by a lifeguard or swim trainer.

7. No spitting or blowing nose in the pool.

8. All children must be accompanied by an adult.

9. No running, pushing, dunking, or rough play in pool area, showers, or locker rooms.

10. No diving unless directly instructed to do so by the instructor.

11. All injuries must be reported to the lifeguard on duty or swim trainer.

12. Always enter the water forward without flipping.

13. If you are concerned about the safety of your child or any other child, immediately and loudly notify the lifeguard or swim trainer.

14. Any change in your child's status must be immediately reported to Diana Perry.

15. You must dry yourself and your child off thoroughly before leaving the pool area or entering any Good Swim facility.

16. Any child not completely toilet trained must wear a snug fitting reusable cloth swim diaper. Dispose of all diapers in the brown trash bins.

17. If you bring any extra people with you, they must sign a WAIVER.

18. Absolutely no spray products to be used on property. If you feel the need to use insect repellent or sun block apply it at home.
